Mr. Christopher R. Beskar  
President & CEO  
Stavatti Corporation  
1061 Tiffany Drive  
Eagan, MN 55123-1877

Dear Christopher:

Thanks for writing and I enjoyed your observations about spin testing, spins, and your thoughts on aircraft testing. It sounds like you'll certainly go in all the right directions with your new aircraft.

I'll watch your projects with interest and look forward to the day when I can fly a Stavatti Sleek, especially a 600 hp model!

Best wishes,

Richard L. Collins  
Editor at Large
