COMPANY OVERVIEW

Stavatti Creates Aerospace Vehicles and Invents the Future.

Stavatti Aerospace is an aircraft manufacturer focused on the design and production of new design military, commercial and general aviation aircraft as well as spacecraft. We design and build new aircraft, aerospace vehicles and defense systems for transportation and the defense of the United States and friendly allied nations.

COMPANY MISSION

Stavatti was founded with a vision to revolutionize the way aircraft are designed and built, improving efficiency, quality, safety and performance while reducing the cost of ownership and operation. Benefitting from revolutionary designs and approaches, Stavatti will produce aerospace vehicles that offer greater capabilities, performance and efficiencies with significantly greater affordability.

NEW AIRCRAFT UNDER DEVELOPMENT INCLUDE

- » Fighter (SM-36, SM-39); Attack (SM-27, SM-28); Trainer (SM-26T, SM-31)
- » Airliner (SM-920, SM-940); Transport (SM-100); Fire Fighting (SM-100AT)
- » General Aviation (SM-26, SM-45, SM-150); Drone & UAV (SD-25, SM-54)

ENGINEERING & MANUFACTURING

- » Aerodynamic Design & CFD; Structural Stress and Airframe Design
- » Performance and Handling; Flight Controls; Loads, Dynamics and Flutter
- » Flight Testing; FAA Certification; Military Qualification; In-House DER
- » Prototyping; Manufacturing; Integration & Mass Production of Aircraft

FAST FACTS

- » Stavatti designs and produces new aircraft
- » Over 20 new aircraft now under development
- » Conducts aircraft design, prototype, flight test, certification, production & sustainment
- » *Centers of Excellence* also include avionics, sensors, controls, powerplants, launch vehicles, spacecraft, missile systems & land defense
- » 180,113 sf headquarters & prototyping center
- » 2 Million sf aircraft factory under development

Stavatti Aerospace Ltd is a Wyoming C Corporation
Stavatti Aerospace Ltd is 100% American Owned
Stavatti Aerospace Ltd was founded on 11 December 2019
DDTC Registered Manufacturer, Exporter & Broker
FAA Licensed Aircraft Manufacturer

PRIMARY NAICS CODES

336411 Aircraft Manufacturing
336412 Aircraft Engine and Engine Parts Manufacturing
336413 Other Aircraft Parts and Auxiliary Equipment Manufacturing
336414 Guided Missile and Space Vehicle Manufacturing
332993 Ammunition Except Small Arms Manufacturing
332994 Small Arms and Ordnance Manufacturing
